JUNGLE INSTRUMENTS

Have an adult help you with this activity.

Shoe Box Harp

You Will Need: Shoe box, Rubber bands, Scissors, Glue.
Decorating tools: Crayons, markers, paint, paper, glitter, etc.

Instructions:

1. Remove the lid from your shoebox.
2. Decorate your construction paper with whatever patterns and designs you want using your decoration tools.
3. Glue (or tape) your decorated papers to the inside and outside of your box.
4. Extend the various widths of rubber bands around the outside of the box and arrange them next to each other from thickest to thinnest.

Kazoo

You Will Need: A toilet tissue or paper towel tube, Wax paper, Rubber band, Scissors, Pencil or pen.

Instructions:

1. Have an adult help you to cut the wax paper into a circle that is larger than the end of your cardboard tube.
2. Put the cut circle over the end of the tube and smooth it out. Hold it in place with the rubber band. Be sure to keep it smooth and tight around the outer edge of your tube.
3. With the pencil or pen, twist a hole into the tub just below the rubber band.
4. To play your kazoo, hold the open end of the tube to your mouth and hum or sing into it. You just might have to pucker your lips a bit.

JUNGLE INSTRUMENTS

Have an adult help you with this activity.

Jungle Shakers

You Will Need: **CONTAINERS:** Spice jars, plastic eggs, baby food jars.
FILLERS: Rice, dried beans, dried corn kernels, sand. **DECORATION:** Construction paper, markers, pens, crayons, Scissors and glue (or tape).

Instructions:

1. Fill each container with some of your filler item.
2. Replace the lid, hold the top closed and shake.
3. Note the different sound qualities that each filler item creates when shaken.
4. Adjust the amount and type of filler until you are satisfied with the sound.
5. Seal your container with glue (or tape).

Jungle Drums

You Will Need: 3 empty cans, Can opener, Strong tape, Clear tape, A large sheet of paper.

Instructions:

1. Have an adult help you to remove the lids on both ends of the empty cans.
2. Tape the cans together to form a long log shape.
3. Have an adult help you to cut open the large paper bag into a flat sheet.
4. Measure the width of your can log and cut the paper into the same width, making sure that it's large enough to cover the circumference of your log drum.
5. Draw and color the paper using crayons and markers. Create whatever patterns and designs you would like - maybe draw a wood grain design onto the brown paper to make it look like a real log.
6. Roll your paper design around the can log and use clear tape to secure it in place.
7. Use two pencils, sticks or spoons to strike the log drum to create your own jungle rhythms! Set your log drum on the floor or various surfaces to experiment with the different sound qualities you can produce with your drum!
